

FACTORY ENGINEERED DISPLAY MOUNTING SOLUTIONS

Free-Standing Mount

Hanging Mount

Wheeled Mount

Once you've selected your display, pair it with a factory provided mounting solution.

From standard wall mount solutions to fully custom engineered articulating systems, Mitsubishi Electric has the experience and engineering abilities to deliver the right solution for your application.

Mitsubishi Electric's factory manufactured solutions are engineered to seamlessly pair with our display systems and provide flexibility to accommodate various applications. Our mounting solutions are surprisingly affordable, offering a complete yet cost-effective factory solution that helps reduce overall LED project cost.
